RE: Local Voting Accessibility Advisory Committee – Meeting Notice

Dear Community Neighbors and Friends:

The Registrar of Voters local VAAC provides a forum for the disability and senior communities in Riverside County to voice their concerns, advise, assist and provide recommendations to the Registrar of Voters regarding access to the electoral process for voters with disabilities. Julie Caban has been assigned as the department's VAAC Chair and Larry Smith as the Co-Chair for the meetings. The VAAC is open to any interested person or organization. These meetings will be held on a quarterly basis at the Registrar of Voters office in Riverside and in the Coachella Valley.

The upcoming VAAC meeting will be held on July 30, 2015 at 10 a.m. at the Braille Institute of America, 70-251 Ramon Road, Rancho Mirage, CA, 92270.

**SEE ATTACHED VAAC MEETING SCHEDULE, LOCATION  
(MAP PROVIDED), DATE AND TIME**

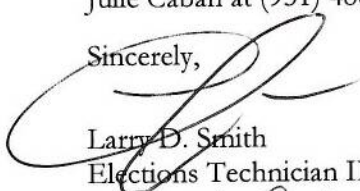

At these meetings, we hope to open the lines of communication and foster cooperation with community groups so that we are able to address voting process issues. It is our hope that VAAC members provide feedback on polling locations, voting systems, and other accessibility matters. We are also highly interested in promoting awareness to individuals and organizations through outreach opportunities. We highly encourage VAAC members reach out to other members of the community and assist with disseminating voter materials as well as recruit potential poll workers from within their communities.

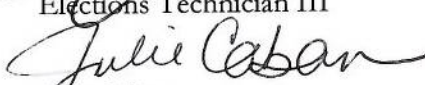

Your participation in these ongoing efforts is invaluable to the county's disability and senior communities. Accommodations can be provided upon request. We sincerely hope you will consider attending the upcoming VAAC meeting or appointing representatives to attend. **A courtesy reply is requested on or before July 27, 2015 so that we may have adequate materials available at the meeting.**

Posting and/or distribution of this meeting notice to interested parties would be appreciated.

If you require accommodations, teleconferencing information and/or further information please call Julie Caban at (951) 486-7353 or Larry Smith at (951) 486-7202.
