

Assistance for Voters with Disabilities

Riverside County is committed to ensuring every voter can cast their ballot privately and independently.

Voting at a Voter Assistance Center

If you need help marking your ballot, you may choose up to two people to help you. This person cannot be:

- Your employer or anyone who works for your employer
- Your labor union leader or anyone who works for your labor union

Curbside voting allows you to park as close as possible to the voting area. Elections officials will bring you a roster to sign, a ballot, and any other voting materials you may need, whether you are actually at a curb or in a car.

All vote centers are required to be accessible to voters with disabilities and will have accessible voting machines.

Voting at Home

Remote accessible vote-by-mail (RAVBM) systems provide an accessible option for voters with disabilities to receive their ballots at home and mark them independently and privately before sending them back to elections officials.
