HECTOR DIAZ

OCCUPATION: Small Business Owner

EDUCATION AND QUALIFICATIONS:

As a Moreno Valley resident and business owner, I've worked to increase jobs and help others. Too many of our veterans, seniors and young people tell me about the limited opportunities they face and their fear of crime.

I'm not a politician. I've never held elected office. But I've owned businesses here for nearly 12 years. I want to give back to our community and help grow our local economy.

I started working at age 7 picking strawberries and potatoes in the fields. My parents taught me the value of hard work, education, and service. I'm my family's first college graduate.

If you elect me, I pledge that I'll be available and listen to my constituents. I'll devote myself to attracting jobs and improving our neighborhoods.

My top city council priorities will be:

- Public safety. Keep criminals off our streets.
- A business-friendly environment creating stable, higher-paying jobs.
- Cost-effectiveness in city government.
- Partnering with our schools wherever possible.

I'd appreciate your vote June 6. I am an independent voice for Moreno Valley, without ties to special interests. Please join my supporters in voting for Hector Diaz for City Council. You can reach me at 951-448-4676.

CHEYLYNDA BARNARD

AGE: 34

OCCUPATION: Social Worker

EDUCATION AND QUALIFICATIONS:

My name is Cheylynda Barnard known as "Chey" to my family and friends. I am a lifelong Inland Empire resident; I grew up in the neighboring city of Riverside and have lived in Moreno Valley for the last 11 years. I graduated from California State University, San Bernardino with BA degrees in Criminal Justice and Political Science. I have had the opportunity to serve this community as a Social Worker, which has provided me with a unique experience. You have allowed me to come into your homes during your times of need; to extend a helping hand or simply an ear to listen to you. I have learned so much from you, from your greatest joys, to your concerns about your day to day lives. I will advocate for making public safety a priority through community policing with the citizens and the police department working together. I will advocate for continued investment in our community through youth and senior programs. As well as better economic opportunities that will invest in our community and create jobs. Every citizen deserves to have a voice and be heard. Let me be that voice by voting for Cheylynda Barnard for city council.
