The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California’s open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

Voter-Nominated Offices

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party’s official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

Nonpartisan Offices

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.
Please refer to the following instructions on how to properly complete your Official Ballot:

- Connect the head and tail of the arrow that points to your choice like the example provided.
- Check both front and back of ballot for voting contests.
- Use a black ball point pen. Do not use felt tip, red or gel ink.
- One line connecting the arrow is preferred.
- Vote for no more than the number of votes allowed in each contest (e.g. vote for one, vote for no more than two, etc.).
- Please keep the Vote-by-Mail ballot folded the same way as you received it.

IMPORTANT NOTE!
If you are a Vote-by-Mail voter, you must fill out and sign your return envelope in order for your vote to be counted.

MEASURES SUBMITTED TO THE VOTERS / MEDIDAS SOMETIDAS A LOS VOTANTES

STATE / ESTADO

1. AUTHORIZES BONDS TO FUND SPECIFIED HOUSING ASSISTANCE PROGRAMS. LEGISLATIVE STATUTE. Authorizes $4 billion in general obligation bonds for existing affordable housing programs for low-income residents, veterans, farmworkers, manufactured and mobile homes, infill, and transit-oriented housing. Fiscal Impact: Increased state costs to repay bonds averaging about $170 million annually over the next 35 years.

2. AUTHORIZES BONDS TO FUND EXISTING HOUSING PROGRAM FOR INDIVIDUALS WITH MENTAL ILLNESS. LEGISLATIVE STATUTE. Amends Mental Health Services Act to fund No Place Like Home Program, which finances housing for individuals with mental illnesses. Ratifies existing law establishing the No Place Like Home Program. Fiscal Impact: Allows the state to use up to $140 million per year of county mental health funds to repay up to $2 billion in bonds. These bonds would fund housing for those with mental illness who are homeless.

3. AUTHORIZES BONDS TO FUND PROJECTS FOR WATER SUPPLY AND QUALITY, WATERSHED, FISH, WILDLIFE, WATER CONVEYANCE, AND GROUNDWATER SUSTAINABILITY AND STORAGE. INITIATIVE STATUTE. Authorizes $8.977 billion in state general obligation bonds for various infrastructure projects. Fiscal Impact: Increased state costs to repay bonds averaging about $340 million per year over 40 years. Local government savings for water-related projects, likely averaging a couple hundred million dollars annually over the next few decades.

4. AUTHORIZES BONDS FUNDING CONSTRUCTION AT HOSPITALS PROVIDING CHILDREN’S HEALTH CARE. INITIATIVE STATUTE. Authorizes $1.5 billion in bonds, to be repaid from state’s General Fund, to fund grants for construction, expansion, renovation, and equipment for qualifying children’s hospitals. Fiscal Impact: Increased state costs to repay bonds averaging about $90 million annually over the next 35 years.

5. CHANGES REQUIREMENTS FOR CERTAIN PROPERTY OWNERS TO TRANSFER THEIR PROPERTY TAX BASE TO REPLACEMENT PROPERTY. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Removes certain transfer requirements for homeowners over 55, severely disabled homeowners, and contaminated or disaster-destroyed property. Fiscal Impact: Schools and local governments each would lose over $100 million in annual property taxes early on, growing to about $1 billion per year. Similar increase in state costs to tax bill school property tax losses.

6. ELIMINATES CERTAIN ROAD REPAIR AND TRANSPORTATION FUNDING. REQUIRES CERTAIN FUEL TAXES AND VEHICLE FEES BE APPROVED BY THE ELECTORATE. INITIATIVE CONSTITUTIONAL AMENDMENT. Revokes a 2017 transportation laws’ taxes and fees designated for road repairs and public transportation. Fiscal Impact: Reduced ongoing revenues of $5.1 billion from state fuel and vehicle taxes that mainly would have paid for highway and road maintenance and repairs, as well as transit programs.

7. CONFORMS CALIFORNIA DAYLIGHT SAVING TIME TO FEDERAL LAW. ALLOWS LEGISLATURE TO CHANGE DAYLIGHT SAVING TIME PERIOD. LEGISLATIVE LAW. Gives Legislature ability to change daylight saving time period by two-thirds vote, if changes are consistent with federal law. Fiscal Impact: This measure has no direct fiscal effect because changes to daylight saving time would depend on future actions by the Legislature and potentially the federal government.

ATIENE EL HORARIO DE VERANO DE CALIFORNIA A LA LEY FEDERAL. PERMITE QUE LA LEGISLATURA CAMBIE EL PERIODO DEL HORARIO DE VERANO.
**10. Expands Local Government’s Authority to Enact Rent Control on Residential Property. Initiative Statute.**

Repeals state law that currently restricts the scope of rent-control policies that cities and other local jurisdictions may impose on residential property. Fiscal Impact: Potential net reduction in state and local revenues of tens of millions of dollars per year in the long term. Depending on actions by local communities, revenue losses could be less or considerably more.

**11. Requires Private-Sector Emergency Ambulance Employees to Remain On-Call During Work Breaks. Eliminates Certain Employer Liability. Initiative Statute.**

Requires that private-sector ambulance employees remain on-call during work breaks. Fiscal Impact: Likely fiscal benefit to local governments (in the form of lower costs and higher revenues), potentially in the tens of millions of dollars each year.

**12. Establishes New Standards for Confinement of Specified Farm Animals; Bans Sale of Noncomplying Products. Initiative Statute.**

Establishes minimum requirements for confining certain farm animals. Prohibits sales of meat and egg products from animals confined in noncomplying manner. Fiscal Impact: Potential decrease in state income tax revenues from farm businesses, likely not more than several million dollars annually. State costs up to $10 million annually to enforce the measure.

CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT

JULIA C PEACOCK, Democratic
AGE: 49
OCCUPATION: Public School Teacher
EDUCATION AND QUALIFICATIONS:

There is room for everyone in the American Dream.

My name is Julia Peacock. I am here to be your voice for finding practical solutions to today's real problems without raising taxes on low- and middle-income families.

We must build an economy that goes beyond unemployment rates and the stock market to quality, well-paying jobs with sick time and benefits so working families can plan for the future and not just live paycheck to paycheck.

We must revisit the American spirit of discovery and embrace the future. Right now, our largest employer is a prison. We need our largest employers to be small businesses and green energy. We can do this by establishing a local economic council with industry leaders, economists, and business owners to help shift our economy from detention and retail to innovation.

We must rethink transportation and infrastructure. We must move beyond freeway-expansion dependency into public transportation. By working in coalition with state authorities to set an expanded local train and bus network, we can plan beyond the freeway with infrastructure funding from Washington because America is ready for a new New Deal. More buses, more trains, more opportunity; less traffic, less pollution, less cost.

We must invest in education and programs that train our students not only for the jobs available today, but for the jobs available tomorrow. From construction, to STEAM, to clean energy, our students must be ready to handle the challenges of the 21st century.

We can do this. Together.

CANDIDATE STATEMENT FOR
STATE SENATOR,
28TH SENATORIAL DISTRICT

JEFF STONE, Republican
AGE: 62
OCCUPATION: State Senator / Pharmacist

EDUCATION AND QUALIFICATIONS:

It’s an honor to represent you in the State Senate, and I’m proud to serve the men, women and families of Riverside County.

Public safety is our top priority, and that’s why I’ve worked to change the law to once again put violent felons who prey upon and harm innocent victims behind bars. That’s also why I’ve introduced legislation to make it easier for Riverside County’s schools to protect our children by giving our schools the choice to put metal detectors in schools. I’m honored to have been endorsed by the Riverside Sheriff’s Association.

Our taxes are too high, and that’s why I’ve authored legislation to reduce the tax burden for working families and wounded veterans. That’s also why I’m working to repeal the unfair Gas Tax hike that harms middle income families and small businesses. I’m proud to have received an ‘A’ rating from the Howard Jarvis Taxpayers Association.

If California is going to continue to thrive we need good paying jobs. I’ve led the fight against special interests that file lawsuits against small businesses and make it harder for people to find work. We need to CREATE jobs, and I’m proud to have received a perfect score from the California Chamber of Commerce and the National Federation of Independent Businesses.

I look forward to the privilege of representing you in the Senate to work towards lower taxes, safer streets, and a better life for our families and our children. I’d be honored to receive your vote.

JOY SILVER, Democratic
OCCUPATION: Businesswoman / Housing Advisor

EDUCATION AND QUALIFICATIONS:

“Joy Silver will bring a new perspective to Sacramento and deliver for our communities.”
- Congressman Raul Ruiz

Joy Silver isn’t a career politician. Joy is an outsider who will put her business experience to work on local priorities: protecting healthcare, helping seniors, tackling the homeless crisis, fixing the Salton Sea.

Joy Silver will bring change to the Capitol by reinigin in lobbyists so the needs of our community, not Sacramento special interests, come first.

Joy Silver’s agenda for change:

• Reduce the cost of prescription drugs. Oppose harmful cuts to healthcare for seniors.
• Tackle the homeless crisis. Provide housing for homeless veterans.
• Fight for our fair share of state funding to fix the Salton Sea. We can’t afford to wait.
• Crack down on corruption. Ban lobbyist gifts. More disclosure of who’s funding campaigns.
• Stand up to the divisive policies from Washington when they hurt our people, our clean energy jobs, our farm communities.

Experience to Get Things Done

Daughter of a police detective, Joy Silver grew up in a working-class family and attended public schools. Joy worked her way up to become a top executive of a major medical center.

MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT

MELISSA MELENDEZ, Republican
OCCUPATION: Business Owner
AGE: 50
EDUCATION AND QUALIFICATIONS:

As your representative for the 67th Assembly District, I remain honored to represent you in the California State Assembly and I’m proud to have earned your trust.

When I served in the United States Navy, I made a commitment to defend the Constitution. As your State Assemblywoman, I have taken that commitment to Sacramento where I continue to defend the Constitution every single day.

I promised you during my first campaign, I’d be your champion in Sacramento. I promised to fight for lower taxes, relief for small businesses, and to support our veterans – and I keep my promises. I have authored and passed legislation to expand protections to our veterans, provide financial relief for small businesses, and cut taxes.

Unfortunately, California is one of the highest taxed states in the nation and it’s time you the taxpayers have a say. I have introduced legislation to require that every single tax increase first be approved by YOU the voters – BEFORE it goes into effect.

Sacramento has a corruption and sexual harassment problem; I lead the effort to fix it. This year, I made it illegal for politicians to retaliate against those who report them for sexual harassment or corruption. Politicians should never be above the law.

I would be honored to earn your vote and continue being your champion in the Legislature. Together we’ll continue the fight to make our golden state a more affordable and prosperous place once again.

MEMBER OF THE STATE ASSEMBLY,
67TH ASSEMBLY DISTRICT

MICHELLE SINGLETON, Democratic
OCCUPATION: American Government Teacher
AGE: 34
EDUCATION AND QUALIFICATIONS:

As a teacher, I have served Riverside County for the past 12 years. I am confronted daily with the needs and concerns of my students and charged with the responsibility of seeking out solutions. My years of service have been dedicated to using limited resources to build innovative programs that provide opportunity and security for at-risk populations. Recent events have introduced new vulnerabilities to the community of children, parents and colleagues with whom I work with. These events have propelled me to run for office.

Once elected, I will work towards legislation that addresses the safety and well being of our district by:

- Ensuring every child in our state has access to preschool
- Working to make a college education obtainable and affordable
- Developing apprenticeship programs to build a skilled labor force that is ready to meet the needs of the 21st century
- Building sustainable community projects to improve local infrastructure and create good-paying jobs
- Securing state resources to expand services, education, and job-training to veterans in our district
- Making health care, housing, and transportation accessible and equitable for all

We must invest in our human capital if we hope to raise the standard of living for all Californians. It’s time the 67th Assembly District had an advocate in Sacramento that represents our children and working families. I would be honored to earn your vote and to be your advocate.

CANDIDATE STATEMENT FOR RIVERSIDE COUNTY SHERIFF / CORONER / PUBLIC ADMINISTRATOR

STAN SNIFF
OCCUPATION: Riverside County Sheriff
EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING
New challenges demand new technology and better education. We have modernized operations, combating crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS
My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over $1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE
Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service. I respectfully ask for your vote.

EDUCATION AND QUALIFICATIONS:

New leadership is needed at the Sheriff’s office. In June, nearly seven out of ten voters voted for change. With your vote, you have the opportunity to complete the change.

As a Sheriff Deputy and Lieutenant Sheriff, I have spent my 25-year career keeping the people of Riverside County safe. That’s why I’m proud to be law enforcement’s choice for Sheriff.

I graduated from the Sheriff Academy at the top of my class and was hired by the Department. My experience includes Patrol, Corrections, Internal Affairs and Supervision. As Sheriff, I’ll fight gangs and sex offenders and increase neighborhood patrols.

The Deputies and Officers who patrol our neighborhoods overwhelmingly endorse me for Sheriff, including: Riverside Sheriff’s Association, Riverside Police Officers’ Association, Southern California Alliance of Law Enforcement, representing over 37,000 officers in Southern California.

Here’s what the RIVERSIDE SHERIFF’S ASSOCIATION SAYS: “Lt Chad Bianco’s unyielding commitment to Law Enforcement and Public Safety, respect for taxpayers and proven experience makes him the best choice to lead the department and protect the citizens of Riverside County.”

Fresh perspective. It’s what I bring, along with ability, enthusiasm and commitment to moving Canyon Lake forward.

I believe that true leadership requires engagement, making educated and thoughtful decisions, and representation of the entire community.

I have lived in Canyon Lake since 2012 with my family. I have enjoyed actively contributing to the community by way of the Junior Women’s Club, where I currently serve as secretary, and as a member of the Women’s Club.

I have a passion for public service. I am a founder and the current president of the Inland Empire Blue Belles, a non-profit organization dedicated to the support of Inland Empire law enforcement. Formerly a prosecutor, my law practice now represents primarily first-responders. I share your concerns about our city’s public safety, and I believe my knowledge and experience in government and public safety law will be well-implemented. You can view my professional bio at https://www.castilloharper.com/our-staff/kasey-a-castillo/.

As an attorney, I consider “the solution,” the goal. I view this position similarly. As a small business owner, I know that a city’s support is imperative. As a resident, I want Canyon Lake to flourish.

I am your candidate! Kasey Castillo for City Council.

Through strong leadership, dedication and clear thinking I will continue to fight to preserve and defend this City, to help it prosper, and to protect its citizens.

As it was back in 2014, I am still not a “professional politician.” I am a real person and I believe in complete transparency in government.

Protecting Canyon Lake continues to be my goal and I gladly renew my dedication to this City and its people. I am eager to continue the fight for our lifestyle, our homes, our safety and the future of Canyon Lake.

I am humbled to be given another opportunity to offer my passion, integrity, knowledge and strength in this fight for our little bit of Paradise. It has been my honor to serve the City since 2014 and I would deeply appreciate your continued support by re-electing me to the Canyon Lake City Council.

DAWN HAGGERTY
OCCUPATION: Incumbent
EDUCATION AND QUALIFICATIONS:

I am currently serving my fourth year on the Canyon Lake City Council after serving six years on the POA Board. I have been involved with Canyon Lake politics for 25 years.

Education: Double degree in Psychology/Sociology and Education/English Literature. My career included Manager of a Big Eight Accounting Firm’s Consulting practice; later a self employed consultant to Fortune 500 and major companies, regarding Human Resources and Business Processes. I retired in 1995.

My husband and I had four girls and two step-sons and numerous grandchildren and great grandchildren.

While on the Canyon Lake POA Board I helped expose prior corruption in POA management and streamlined and reduced overall operation costs by over 1 million (giving back a onetime check to each homeowner). Other accomplishments include establishing term limits, updating Rules/Regulations and CC&R’s.

When elected to the City Council my goal was reducing costs by creating our own fire and police departments. Finally, after three years, reducing the unsustainable costs of County Fire and Police and improving service is close to happening. I hope to be involved in making it happen this coming year which will help the City become even stronger financially.

I appreciate your vote.

IMPARTIAL ANALYSIS OF MEASURE “S”

Measure “S” was placed on the ballot by the City Council at its July 18, 2018 meeting. If approved by majority vote of the voters voting on the measure, Measure “S” would approve the ordinance extending the Utility User Tax (“UUT”) approved by the voters in November 2014.

A UUT is a tax on utility services used by residents within the City. Measure “S” does not change the ordinance. The ordinance broadly defines received “utility services” as those for electricity, natural gas, water and sewer, telephone and solid waste/refuse collection.” The ordinance presumes that billings received by Canyon Lake residents are for such services used within the City. The ordinance provides details regarding the levy and collection of the tax; however, state and federal laws will supersede the ordinance provisions. For example, certain internet services and solar electrical energy generated only for personal use are exempt from taxation pursuant to the provisions of state law and the proposed ordinance. Propane tanks purchased for use within the City are exempted from tax by the ordinance. There is an appeal process to dispute the imposition or amount of the tax.

The tax rate remains 3.95% with no increase unless approved by voters. The tax is levied on the amount of each separate utility bill, so the amount of tax varies with the cost of the utility services provided for that billing period. The tax is collected by each utility provider and paid to the City. There are penalties for non-collection as well as for non-payment. The ordinance requires an annual, independent audit of the collection and use of funds.

If Measure “S” is approved, the collection of the tax will continue unchanged until terminated by the voters. If Measure “S” is not approved by a majority vote of the voters voting on the Measure, then the UUT will terminate on December 31, 2020.

The above statement is an impartial analysis of Measure “S.” If you desire a copy of the ordinance or measure, please call the elections official’s office at (951) 244-2955, extension 4 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE “S”

Vote YES on S – KEEP OUR CITY SAFE, MAINTAIN LOCAL CONTROL – without raising taxes!

The CITY provides our 911 police and fire emergency response and paramedic services. YES on S is essential for local control of our public safety and rapid response services.

YES on S maintains life safety services and police/fire/paramedic emergency response times.

YES on S keeps Canyon Lake Fire Station open and prevents cuts to sheriff’s deputies, firefighters and paramedics.

YES on S keeps City spending transparent, and continues independent audits.

YES on S requires all money to be used for Canyon Lake's local benefit. NO money can be taken by Sacramento!

YES on S includes strict accountability provisions including annual independent audits that ensure funds are used effectively and efficiently.

YES on S does NOT raise taxes!

YES on S simply continues already existing, voter-approved funding without raising taxes – Measure S is critical to maintaining our quality of life safety.

We need YES on S! Without Measure S, the City will lose control over OUR vital services – our only fire station could shut down again and paramedic and firefighter emergency response times would increase – putting lives and property at risk. Emergency response times could exceed the American Medical Association guidelines for providing critical care for trauma, heart attack or stroke.

Measure S will maintain local control of our city, and vital services needs.

Vote YES on S – Keep Canyon Lake safe, and maintain our quality of life and local control.

Vote YES on S – Keep City spending transparent, local, and out of the hands of Sacramento.

Join a unanimous City Council, community leaders, businesses and public safety professionals in voting YES on S.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “S”

VOTE NO on S

The UUT tax of 2014 was for the funding of Paramedic, and firefighter services. Without the UUT the station would close. The UUT passed by 15 votes. July 2015 the City, not the county, closed the station.

Response times increased to 15 - 30 minutes. The Station stayed closed for a year, while Lake Elsinore and Menifee provided our fire/paramedic services.

The promised paramedic and fire fighter for Canyon Lake did not arrive until July 2018, 3 years later, and only because the County mandated it. The Council got the tax and did nothing for Police or Fire.

The City says that passing S does NOT raise Taxes. The city budget for 2018-19 has:

- revenue of $5,005,880
- expenses of $5,544,803
- deficit of -$538,923.

There is a reserve. With cost increases each year the city will eat through the reserve by 2020 – 2021 budget year and be effectively bankrupt.

The City is not transparent, they know that if they increased the percentage now from 3.95% to the needed 8% for 2020, the UUT would not pass or that by 2025 15% would be needed.

Local control to the City means putting 1,000 homes in the BLM land north of the fire station. Either increasing the POA or opening the gates to nonmembers.

Can the CITY or CITY COUNCIL be believed/trusted when they promised to keep the fire station open and THEN CLOSED THE STATION?

VOTE NO on S

By: John Zaitz, 10 Year Councilmember and Mayor. POA Board and President-29 Year Resident
ARGUMENT AGAINST MEASURE “S”

In 2014 the City wanted you to vote for a User Utility Tax (UUT) to KEEP the Canyon Lake Fire Station open, maintain emergency response times, and pay for law enforcement staffing. What was the result of you paying over $250 a year per property owner.

- 4 Months after passing the tax the City, not the County, CLOSED the fire station. In December of 2017 the City had to agree with the County to open the station in July of 2018 with a 3-person crew.
- Emergency times went from 3-4 minutes to 15-30 minutes after the station was closed.
- The City tried to keep the response time from you. In August and September, the council meetings tried to refute what a council member said when he pointed out the delay in response.
- Law enforcement is a bare minimum of one person per shift. The City stopped staffing of a COP (Community Oriented Police Officer), Explorer’s and would not consider a Volunteer Unit.
- The City failed to follow procedure after the widening of RRCR and the police can not use radar to enforce the speed laws. Prior to 2014 the average number of citations per year were 840. Since 2014 they average 33 citations.
- The police have not received any support from the City Council or City staff.
- The City could have opened the Fire Station in January of 2018 but waited until July to save money. Your protection was not a consideration. They just opened it in July of 2018 because the County forced them into doing it.
- $50,000 went to the City Attorney in 2018. 72% over budget.
- Wrought fence on RRCR at the entrance to the golf course. $89,000.

They did not fulfill their promise VOTE NO on S.

By: John Zaitz, 10 Year Councilmember and Mayor. POA Board and President-29 Year Resident

REBUTTAL TO ARGUMENT AGAINST MEASURE “S”

Did the ONLY opponent even bother to check the facts about Measure S? Don’t be manipulated by his continued intentional misleading accusations, bias and falsehoods – including the FACT the Fire Station has been properly staffed and opened with the help of voter-approved local funding since 2017.

The fact is, extending Measure S without raising taxes will maintain the City’s public safety, life safety services and transparent local control as voters intended.

Here are the FACTS about YES on S the opposition would like you to ignore:

FACT: The current UUT is the voter-approved locally controlled funding that helped reopen our only fire station. Without a YES on S, Canyon Lake cannot support its only fire station. Closing the station would result in firefighters and paramedics taking longer to respond to emergency 911 calls. This is not acceptable.

FACT: Extending YES on S at the same rate also keeps City spending transparent with required independent audits. Every penny is spent to benefit Canyon Lake and cannot be seized by Sacramento. YES on S ensures funds are spent efficiently and effectively.

FACT: Continuing YES on S keeps our City locally-controlled and maintains critical life safety services and rapid emergency response, saving lives and property like the recent fire threatening homes on Old Wrangler.

Join a unanimous City Council, police officers, firefighters, property and business owners, longtime residents and taxpayers – Vote YES on S! We all agree – vote YES on S to keep Canyon Lake SAFE and locally controlled.

**Conditional Voter Registration**

Did you forget to register? No problem! Did you know that during the period of 14 days prior to Election Day through and including Election Day, you can go to the office of the Riverside County Registrar of Voters to conditionally register to vote and vote? This process is called Conditional Voter Registration (CVR). Here’s how it works:

1. Visit the Registrar of Voters office located at 2724 Gateway Drive, Riverside, CA 92507
2. Complete a voter registration card or register online at RegisterToVote.ca.gov
3. Vote your CVR provisional ballot. **CVR ballots will only be issued at the office of the Registrar of Voters.**

Once the county elections official processes the affidavit of registration, determines that you’re eligible to register, and validates your information, the registration becomes permanent and your CVR provisional ballot will be counted.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683)

You may check the status of your voter registration at www.voteinfo.net/AmIRegistered

**California Motor Voter**

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they “opt out” of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit [https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome](https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome) to get started. You can also use DMV online services ([https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs](https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs)) to renew your driver license or ID card or change your address.

If you indicate you’re eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver’s license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.

To register to vote online, visit RegisterToVote.ca.gov.

Tips for California’s Military and Overseas Voters

Taking part in elections is more convenient than ever for Californians serving in the military or living outside the United States. It begins when you register to vote as a military or overseas voter and receive election materials by mail, fax, or email.

- **Start early.** California’s county elections officials begin sending ballots to military and overseas voters 60 days before Election Day. Fill out a voter registration application early at RegisterToVote.ca.gov to ensure that you receive your voting materials in time.

- **Know your options.** When registering to vote as a military or overseas voter, you can choose to have your ballot mailed, faxed, or emailed to you. You may return your voted ballot to your county elections official by mail or, in certain circumstances, by fax. If you meet the requirements to return your ballot by fax, you must also fax the Oath of Voter form (available from your county elections official) waiving your right to a confidential ballot.

- **Stay in touch.** Once you register as a military or overseas voter, you will continue to receive a ballot and election materials from your county elections official before each election. We encourage you to update your registration each year, if needed; however, you must re-register to vote if you change your address, your name, or your political party preference, or if you do not participate in four consecutive statewide general elections. Visit www.sos.ca.gov/elections/voter-registration/military-overseas-voters/ for more election resources designed especially for you.

**Dates to remember:**

October 22: last day to register to vote and request your ballot

October 30: last day to update or change how you want to receive your ballot

November 6: Election Day. Mailed ballots must be postmarked on or before Election Day and received by your county elections office no later than November 9. Faxed ballots must be delivered to your county elections office by close of polls, no later than 8:00 p.m. Pacific Standard Time, on Election Day.
