The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes — regardless of party preference — move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held.

California’s open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

Superintendent of Public Instruction is a nonpartisan office. If a candidate for Superintendent of Public Instruction were to receive a majority of the vote (at least 50 percent +1) at the primary election, then that candidate would be elected, and no general election would be held. Additional information on nonpartisan offices can be found below.

California law requires the following information to be printed in this guide.

**Voter-Nominated Offices**

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In this county voter information guide, parties may list the candidates for voter-nominated offices who have received the party’s official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

**Nonpartisan Offices**

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election. A candidate for nomination to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

CANDIDATE STATEMENT FOR
UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT

KEN CALVERT, Republican
AGE: 65
OCCUPATION: U.S. Representative
EDUCATION AND QUALIFICATIONS:

It’s an honor to represent Riverside County in Congress.

As a former small business owner, I know what it’s like to sign the front of a paycheck and how much those paychecks mean to hardworking families. I will continue to support policies that create jobs and grow wages.

I supported tax cuts because you deserve to keep more of your hard earned money. I also voted to eliminate job killing red tape so American businesses can better compete in the global economy. These votes resulted in a growing economy, higher wages, and investments to expand small businesses.

We need a healthcare system that gives families more options to find care that fits their needs. I voted for the 21st Century Cures Act to help accelerate medical product development and bring new innovations and advances to patients faster.

I oppose California’s gas tax hike and voted to defund Jerry Brown’s high-speed rail boondoggle. We need to prioritize transportation projects that actually reduce congestion.

I created E-Verify through legislation and I’m leading the effort in Congress to make its use mandatory nationwide. The only way to fix our broken immigration system is by restoring the rule of law and securing our border. I oppose California’s dangerous sanctuary state law and the effort to abolish ICE.

I stand with law enforcement who does an extraordinary job. I am committed to providing for our military and honoring our promises to veterans.

I humbly ask for your vote.

UNITED STATES REPRESENTATIVE,
42ND CONGRESSIONAL DISTRICT

JULIA C PEACOCK, Democratic
AGE: 49
OCCUPATION: Public School Teacher
EDUCATION AND QUALIFICATIONS:

There is room for everyone in the American Dream.

My name is Julia Peacock. I am here to be your voice for finding practical solutions to today’s real problems without raising taxes on low- and middle-income families.

We must build an economy that goes beyond unemployment rates and the stock market to quality, well-paying jobs with sick time and benefits so working families can plan for the future and not just live paycheck to paycheck.

We must revisit the American spirit of discovery and embrace the future. Right now, our largest employer is a prison. We need our largest employers to be small businesses and green energy. We can do this by establishing a local economic council with industry leaders, economists, and business owners to help shift our economy from detention and retail to innovation.

We must rethink transportation and infrastructure. We must move beyond freeway-expansion dependency into public transportation. By working in coalition with state authorities to set an expanded local train and bus network, we can plan beyond the freeway with infrastructure funding from Washington because America is ready for a new New Deal. More buses, more trains, more opportunity; less traffic, less pollution, less cost.

We must invest in education and programs that train our students not only for the jobs available today, but for the jobs available tomorrow. From construction, to STEAM, to clean energy, our students must be ready to handle the challenges of the 21st century.

We can do this. Together.
CANDIDATE STATEMENT FOR
MEMBER OF THE STATE ASSEMBLY,
60TH ASSEMBLY DISTRICT

BILL ESSAYLI, Republican
OCCUPATION: Federal Prosecutor
EDUCATION AND QUALIFICATIONS:

I spent my career fighting for you in the courtroom, now I want to fight for you in Sacramento.

California taxes are simply too high. I am the only candidate running who opposes the $52 billion gas and car tax hike, which costs the average family an extra $800 per year. I support repealing it. I also oppose Jerry Brown's high-speed rail boondoggle.

I served as a Deputy District Attorney in Riverside County, and later as an Assistant United States Attorney prosecuting federal criminal violations.

The dangerous policies of AB 109, Proposition 47, and Proposition 57 are jeopardizing the safety of our community and we are seeing crime rates rise. Instead of fixing the problems, the legislature just passed a law making it easier for criminals to avoid jail. I will support policies that keep criminals in jail and off our streets.

I will defend Prop 13 protections and oppose new payroll taxes to pay for a government-run health care system.

I will work with job creators to enact policies to help them grow. I want to bring high paying jobs to Riverside County and address California's affordability crisis.

I was raised in Riverside County by parents who legally immigrated from Lebanon to escape a violent civil war. I graduated from Centennial High School and successfully completed the AVID program. I was the first in my family to graduate from college, and eventually law school.

The only way to change the direction of Sacramento is to send new leadership up there. I humbly ask for your vote!

EDUCATION AND QUALIFICATIONS:

LAW ENFORCEMENT IS CHANGING
New challenges demand new technology and better education. We have modernized operations, combatting crime more effectively by improving communications, fielding 1,000 body worn cameras, and using high-tech tablets in patrol cars.

Despite years of budget constraints, we cracked down on drug and gang activity, and reduced violent crimes by 8.8% in 2017. Due to prudent fiscal management, we are hiring more deputies, decreasing response times, and expanding our jails.

ACCOUNTABILITY MATTERS
My approach to the office – that all who serve you must be accountable – has irked union leadership, which poured over $1 million into a campaign to replace me. I believe union bosses hope to restore “the good old days” of rampant cronyism, where some are above the law.

TRAINED TO SERVE
Riverside County deserves the most qualified person to lead one of the largest law enforcement agencies in California. I bring over 40 years of law enforcement experience across all our operations, with half that experience in senior executive positions.

I graduated from UC Riverside, hold an M.A. in management, and graduated from the FBI National Executive Institute.

I am a Veteran and a retired Army colonel with 30 years of service.

I respectfully ask for your vote.

As your representative, I will always strive to balance the needs of today’s and future ratepayers. Through collaboration and cooperation with other local agencies, we will continue to develop and grow the relationships to serve the needs of the communities within JCSD’s services area. I have what it takes to ensure your water is secured, the environment is protected, and your dollars spent responsibly. Thank you for your trust and the honor to serve you.
In June 2018, the voters approved Ordinance No. 18-06 prohibiting all “commercial cannabis activity” in the City, defined to include cultivation, possession, distribution, processing, storing, laboratory testing, packaging, labeling, transportation, delivery and sales of cannabis and cannabis goods.

Measure L, placed on the ballot by a petition signed by the requisite number of voters, would provide an exemption from enforcement to allow “commercial cannabis activity” in certain areas of the City:

- Retail cannabis businesses would only be allowed in the General Commercial (C-1/C-P) and Rubidoux Village Commercial (R-VC) zones;
- Other commercial cannabis businesses would be allowed in these zones and in the Manufacturing-Service Commercial (MS-C) and Business Park (B-P) zones.

Measure L provides for the following regulations of these businesses:

- seven cannabis retailers allowed in the City at this time based on one cannabis retailer may receive exempt status for every 15,000 residents;
- Only three commercial cannabis businesses can be located within a 1,000-feet radius of one another, but no set limit on the number of cannabis cultivation, manufacturing, distribution, or laboratory testing facilities that can obtain exempt status;
- Commercial cannabis businesses cannot be located within a 600-foot radius of a school providing instruction in kindergarten or any grades 1 through 12 existing at the time the application is filed;
- No radius restrictions may be imposed by the City on commercial cannabis business near day care or youth centers.
- Commercial cultivation is prohibited outdoors;
- Only $200 in cash overnight and no one under 21 allowed in commercial cannabis businesses; and
- All commercial cannabis businesses would require a state license.

No discretionary permit is required to be issued by the City before a cannabis business can operate in the City. “Priority” applicants can apply before “non-priority” applicants to obtain exempt status if they filed a Statement by Unincorporated Association with the California Secretary of State before September 1, 2016 that contains certain language. If the application is deemed complete and complies with the zoning and location restrictions set forth above, a cannabis business can operate in the City, subject to the provisions of the Measure.

Commercial cannabis businesses would be required to pay the City the following annual tax for general governmental purposes:

- A maximum of $25 per square foot of space used for retail cannabis sales.
- A maximum of $3 per square foot for space used in connection with all other commercial cannabis activity.

The annual tax to be collected is dependent on the size and number of cannabis businesses that operate in the City each year. The City Council is authorized to lower the tax rates but voter approval is required to increase the tax. This local tax is in addition to taxes imposed and collected by the State.

A “Yes” vote on Measure L allows cannabis businesses to operate in certain areas of Jurupa Valley, subject to regulation and tax. A “No” vote is against the operation of cannabis businesses in the City.

Dated: August 6, 2018
By: Peter M. Thorson, City Attorney, City of Jurupa Valley

The above statement is an impartial analysis of Measure L. If you desire a copy of the Measure, please call the elections official's office at (951) 332-6464 and it will be mailed at no cost to you.
**ARGUMENT IN FAVOR OF MEASURE “L”**

Unlike the previous City of Jurupa Valley marijuana business ballot measure, this Measure would impose a local sin tax on all marijuana businesses operating within our City. The annual sin tax would allow our City to collect $25 per square foot of space utilized for retail marijuana sales, and $3 per square foot of space utilized for any other type of commercial marijuana activity, such as distribution, laboratory testing, and product manufacturing.

In spite of our City’s prohibition on state-licensed marijuana businesses, it remains infested with illegal marijuana dispensaries. City Hall authorized—at taxpayer expense—a private law firm to litigate over 50 lawsuits against local marijuana business operators, and yet illegal marijuana dispensaries continue to operate openly and notoriously across our City.

The local revenue generated by the sin tax would provide a source of revenue that could be used to finally crack down on illegal marijuana dispensaries and keep them out of our City for good. Any additional revenue generated by the sin tax could be used to make our City a cleaner and safer place.

In addition to generating revenue for our City, here are just a few ways this Measure would be an improvement over the existing failed prohibition:

- Requires all local marijuana businesses to be fully licensed, heavily regulated, and accountable to multiple State and local regulatory agencies;
- Restricts the total number of state-licensed dispensaries operating within the City to 1 per 15,000 City residents;
- Prevents marketing or sales to children, requiring purchasers to be over 21; and
- Keeps state-licensed marijuana businesses away from schools and out of neighborhoods.

Vote YES, it’s a commonsense solution.

By: Katelyn Garcia, Longtime City Resident

---

**REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE “L”**

Vote no on Measure “L”!

57% of Jurupa Valley voters approved Measure B in June 2018 in order to prohibit all marijuana dispensaries and marijuana businesses in the City. Measure L would overturn this voter approved prohibition and allow commercial marijuana businesses including seven marijuana dispensaries in the City.

No reason exists to overturn this decision of the voters and no reason exists to force the City to accept marijuana dispensaries and marijuana businesses.

Good reasons exist to continue the prohibition on marijuana businesses and prevent devastating problems for the City:

- Marijuana businesses have been known to attract crime and would divert law enforcement resources from other areas of the City;
- Measure L would prohibit the City from imposing conditions on the operation of marijuana businesses in order to protect the health and safety of the community including day care and youth centers;
- Measure L would require the City to hire additional staff and law enforcement at an estimated cost of $345,000 per year; and
- Commercial marijuana businesses are illegal under federal law.

Cities that have legalized marijuana dispensaries continue to struggle with closing illegal dispensaries. Illegal dispensaries will not collect the 15% State tax and additional local taxes from customers and sell marijuana at substantially lower prices.

Jurupa Valley continues to successfully close and shutter illegal dispensaries. Measure L will do nothing to stop illegal dispensaries and will create many additional problems for the City.

     Anthony Kelly Jr., Council Member
     Verne Lauritzen, Council Member

ARGUMENT AGAINST MEASURE “L”

Vote No on Measure “L”

57% of Jurupa Valley voters voted against Measure A to legalize commercial marijuana/cannabis businesses in the City, including dispensaries, in one commercial zone in the June 2018 election.

57% of Jurupa Valley voters also voted in favor of Measure B prohibiting all commercial marijuana/cannabis businesses in the City in the June 2018 election with limited exceptions.

Measure L would now exempt commercial marijuana/cannabis businesses from this voter-approved prohibition on commercial marijuana/cannabis businesses in commercial areas and force the City to have:

- Seven marijuana dispensaries in the General Commercial and Rubidoux Village Commercial zones
- Other marijuana businesses such as indoor cultivation, manufacturing, distribution or testing in these zones as well as in the Manufacturing Service Commercial and Business Park zones.

Measure L would impose a new Jurupa Valley tax on these businesses that can only be increased by voter approval.

Marijuana businesses will create devastating problems for the City:

- Marijuana businesses have been known to attract crime and would divert law enforcement resources from other areas of the City;
- Measure L would prohibit the City from imposing conditions on the operation of marijuana businesses in order to protect the health and safety of the community including day care or youth centers;
- Measure L would likely require the City to hire additional staff and law enforcement at an estimated cost of $345,000 per year; and
- Commercial marijuana businesses are illegal under federal law.

REBUTTAL TO ARGUMENT AGAINST MEASURE “L”

Measure L’s sin tax is capable of generating millions of dollars for our City over time. Under our existing failed prohibition on state licensed marijuana businesses illegal dispensaries operate with impunity all across our City, and our community gets nothing from it.

Stop the insanity! Let’s use the revenue generated from Measure L to shutdown the dangerous and illegal dispensaries, which will be replaced with a few highly regulated and accountable businesses.

Measure L is capable of solving our City’s longstanding problem with illegal dispensaries.

Conditional Voter Registration

Did you forget to register? No problem! Did you know that during the period of 14 days prior to Election Day through and including Election Day, you can go to the office of the Riverside County Registrar of Voters to conditionally register to vote and vote? This process is called Conditional Voter Registration (CVR). Here’s how it works:

1. Visit the Registrar of Voters office located at 2724 Gateway Drive, Riverside, CA 92507
2. Complete a voter registration card or register online at RegisterToVote.ca.gov
3. Vote your CVR provisional ballot. **CVR ballots will only be issued at the office of the Registrar of Voters.**

Once the county elections official processes the affidavit of registration, determines that you’re eligible to register, and validates your information, the registration becomes permanent and your CVR provisional ballot will be counted.

If you have questions regarding Conditional Voter Registration, please call (951) 486-7200 or toll free (800) 773-VOTE (8683)

You may check the status of your voter registration at www.voteinfo.net/AmIRegistered

California Motor Voter

The California Motor Voter program is making registering to vote at the California Department of Motor Vehicles (DMV) more convenient and secure. All eligible individuals completing driver license or ID card or change of address transactions at the DMV will be registered to vote with the California Secretary of State unless they “opt out” of automatic voter registration.

The California Motor Voter program applies to Californians who are 18 years or older and meet the following criteria:

- A United States citizen and a resident of California.
- Not currently in state or federal prison or on parole for the conviction of a felony.
- Not currently found mentally incompetent to vote by a court.

Note: Voter pre-registration is available for those 16 and 17 years of age. Their voter registration will become active automatically when they turn 18.

Before visiting a DMV field office, we recommend making an appointment. Visit https://www.dmv.ca.gov/portal/dmv/detail/portal/foa/welcome to get started. You can also use DMV online services (https://www.dmv.ca.gov/portal/dmv/dmv/onlinesvcs) to renew your driver license or ID card or change your address.

If you indicate you’re eligible to vote, once you complete your driver license or state ID renewal form transaction online, by mail or in person at the DMV, your voter information is then transmitted securely and electronically to the California Secretary of State.

Please note that drivers with an AB 60 driver’s license are not eligible to participate in the California Motor Voter program and are not eligible to vote.

For more information, visit MotorVoter.sos.ca.gov.
To register to vote online, visit RegisterToVote.ca.gov.
